Title: *a tattered sheet*

Author: Dan

It would appear as if my
final days are to be
spent here in this
forsaken holding cell that
would be that of
Ceinwyn's. I have no
regrets though, and I
hope that whomever may
wish for me again can
but only find me within
their own mind as I was,
that they may seek me
out as they had known
me in their heart.
